OMP School Raises Over \$162,000 During LCCF's ExtraOrdinary Give

Ephrata, PA, February 9, 2021 – OMP School is proud to announce that over \$162,000 was raised during this year's ExtraOrdinary Give, a one day of giving event run by the Lancaster County Community Foundation. The grand total raised, including online donations, offline donations, cash prizes and stretch funds was \$162,969.88. Held on November 20th, the Extra Give was a wonderful day where the OMP School community of parents, parishioners, alumni, and friends all came together to support The Fund for OMP School, which provides tuition assistance to families as well as the financial support needed to expand the educational offerings at the school. OMP School placed 14th out of the 522 non-profits who participated in the Extra Give, with over 470 donors from 14 different states choosing to give that day.

With the success of the Extra Give, OMP School is expanding their Preschool Program for the 2021-22 school year, and will be offering full-day Preschool (age 3) and full-day Pre-Kindergarten (age 4) in addition to the full-day Kindergarten already offered. There are limited seats available in the Preschool Programs; enrollment is open now! The financial aid deadline is March 1st and you must be registered to apply for aid.
